FROM THE PRESIDENT

Looking ahead....

It is getting near that time of the year again. No, not the Grand Final!

I refer to our AGM which will be held on Tuesday 4 December 2018. Some fixed term positions will have been completed and we are going to need some new office bearers. At this stage, we know we will need a new treasurer as Maurice has completed his allotted term.

This could be a great opportunity for someone to understand our need and get in touch with their "inner accountant." Please consider putting up your hand for such a position or support another member who might like to nominate.

Our committee meetings are friendly and stress free. We work as a supportive collaborative team. If you were wondering what it would be like to be involved in helping MVU3A to function, you are invited to come along to any committee meeting. They start at 9.30 a.m. on the third Thursday of the month at the Emerald Street Community Centre, West Essendon. The remaining meeting dates for 2018 are 20 September, 18 October and 15 November.

June 28th Forum.

Robert Simmonds from Consumer Affairs delivered an informative and sobering presentation on various consumer scams. I came away feeling that if only people's ingenuity and creativity could be harnessed for good instead of evil the community would be so much better off.

In a brilliant illustration of the importance of reading the fine print, a permission slip was distributed to the attendees. Yes, quite a number of us managed to sign over our houses to Mr Simmonds by failing to read it all the way through! Amazingly, out of the blue on the very next day after the forum, the "Tax Office" phoned my home threatening court proceedings for recovery of tax debts. It was nice to be able to laugh and hang up.

Many thanks to Geoff for organising this forum.

Participation in Moonee Valley Seniors Festival.

The month of October is "Seniors Month" in Victoria. As part of the Moonee Valley Council's celebration we will participate in a "Show Day" at the Niddrie Hub on Monday afternoon 8th October. There will be demonstrations (Mah-jong, Bridge), performances (Line Dancing, Singing, Tai Chi) and displays (Art). Please come along and bring a friend.

Care for the environment

Recently there's been much ado about the phasing out of single use plastic bags by the major supermarkets. We've all learnt now to carry re-usable bags in the car for our purchases and it really hasn't been that hard. There's another opportunity for us to do "our bit" for the environment.

Approximately 160 copies of "Contact" are mailed out each quarter. This uses up approximately 1,500 sheets of paper. When it is time to renew your membership for 2019, please consider receiving "Contact" via email instead of hard copy. We understand that this is not possible for some members.

Vale Kerry Costa and Dot Dickson

Sadly, two of our tutors Kerry Costa and Dot Dickson died in June. Flowers were sent to express our condolences to Kerry's family. To honour Dot and send our condolences to her family, a donation was sent to Motor Neurone Disease research. We expressed our heartfelt thanks for their dedicated tutoring. Tributes are to be found later in this edition of "Contact."

COURSE COORDINATOR'S REPORT

2019 Courses: We will soon begin the process of planning for next year.

I will approach our existing tutors in a few weeks for details of their proposed offerings in 2019.

While the majority of our classes and activities are continuations or repeats of those in the previous year, we are always looking to add to our range. Some additional areas which have been suggested include: Art Appreciation - including gallery visits, Photography and Gardening.

Also, we now have a wide range of course material available on DVDs. I encourage you to ask me about the range of topics presented on these resources.

Sadly for us, after more than 15 years of sterling service, Maurice and Margaret Majurey have advised that they will not be offering either *Armchair Travel* or *Flicks in the Afternoon* next year.

These sessions have been very popular, particularly with devoted older members.

Lots of members would be very happy if there is some way we could continue these classes.

Let me know if you would be prepared to organise any one of these popular sessions. Perhaps you might have ideas for a course based around films or a DVD series in 2019.

If you would like to discuss the possibility of leading a course next year, I would be very pleased to hear from you. Please contact me through the office (9337 7779 or mvu3a1@gmail.com).

September Forum: Jeanette Eid, who is Principal of a Melbourne legal firm, will present our next forum. Her topic will be *Why you need a Will and Enduring Powers of Attorney*.

Jeanette is an author or co-author of several books published by the Law Institute of Victoria and she acts both nationally and internationally for a range of private and public clients. She was recommended by Nola Spicer (previously the tutor for our Financial Management course.)

The forum will be held on **Thursday 27 September** from 10.30 to 12.00 (during the term break)

The venue is Windy Hill (corner of Napier and Brewster Streets Essendon, free car park opposite)

If you would like to attend, phone or email the office (9337 7779 or mvu3a1@gmail.com) and register your name(s). Please also indicate if you plan to stay and join us for lunch at Windy Hill's Terrace Bistro. Their prices are very reasonable, with seniors' meals available. It is best to register as early as possible, and preferably before the term break. This will be our final forum for the year.

TRIVIA QUIZ 2018

This year saw the final appearance of the Moonee Valley U3A Trivia Quiz Production Team of Majurey, Majurey and Lynch. After 12 years for team Majurey and ten years for Lynch, they have decided to hang up their computers, file away their questions, set aside the hooter and the beautifully designed cardboard table numbers and fade elegantly into the distance as the credits roll.

Just for the record, and for those members who seemed to think that Maurice ran the show, let me state that, yes, indeed, Maurice was in charge of the technology on the day, and we wouldn't have been able to do it without his know-how, but it was Margaret who supplied all the entertaining bits and Liz provided most of the questions and the organization for the day.

But, this year, it was as if the gods had decided to have a laugh at us during our "swan song", because for the first time in 12 years the technology failed. The computer refused to talk to the projector and we had to make do with only the microphone. We did get some sound but no pictures. Almost all of Margaret's hard work went for nought. It had been months in the preparation and I can tell you that it was a marvellous show as we had previewed it only a couple of weeks before the big day.

This year the winning team was *Confused Gates* - Caroline, Jan, Jennifer and Cheryl - followed, in equal second place by *The Handicap* - Sue, Carlene and Geoff - and *Ladies Who Lunge* - Ginny, Lorraine, Anne and Doreen. (Perhaps we should have awarded prizes for team names.)

To be successful at Trivia Quiz you need to have a broad general knowledge and the type of brain that picks up and retains all sorts of arcane information. For example, here are some of the areas we covered during the Quiz.

- Cyclones form when the surface sea temperature exceeds 26.5 degrees Celsius
- Scrabble was originally called Lexico
- A dithyramb is a poem or song
- It was in 1975 that male names were added to tropical cyclone lists in Australia
- Brazil is the only country to appear in every Soccer World Cup

Many thanks to the members who helped set up the tables and chairs and then made sure all were put away again and also to the members who helped organize our magnificent lunch.

As the Trivia Quiz Production Team chairs are now vacant, I am sure there are members who would love to fill the position(s). You don't need any special qualifications and I have hundreds of questions (with answers) I would be happy to hand on. Not to mention the 13 card tables which are taking up space in my garage.

Liz Lynch

Team Lynch-Majurey-Majurey; a magnificent legacy of entertaining trivia.

Stop Press: The tradition continues. Happily, Michelle Cairns has volunteered to concoct the 2019 Trivia Day. Three cheers for Michelle, we all wish her well.

SAD LOSSES FOR OUR U3A.

In June, two of our friends who were both wonderful tutors died as a result of their illnesses.

A Tribute to Kerry Costa by Maxine Reid from French 2

Many Moonee Valley U3A members could not help but be affected by the recent passing of Kerry on the 7th June, 2018. She had been deeply involved with U3A both as a tutor and a student, with a commitment that had been ongoing for some 20 years. The number of people Kerry has interacted with through her involvement with U3A during that time is astounding.

I first met Kerry in 2013 when I joined the "Beginners" U3A French class in order to keep my grey cells functioning following my retirement in 2012. Through knowing Kerry, the bonding in that group became so strong that a number of that original group in the company of more recent class members still meet at Emerald Street for the Tuesday morning French class followed by a "coffee meeting" at a café in Keilor Road.

Kerry has been an inspiration to us all. She inspired us with her competency in learning to speak a number of European languages as a mature age student, whilst bringing up her family and assisting her husband with his business. We all benefitted from her ability to interact with and encourage her

students. Even though French grammar could be hard work at times, she could always join in and have a laugh with the group over some of our “not so adept” efforts. A class could often digress for a while as she used her own experiences to relate French culture to our learning. She often told stories of travelling in France and Italy with her husband and their young family and she would share snippets of the correspondence she maintained with people she had met in her travels.

What gave her the most joy and pride was to speak about the achievements of her children and grandchildren. She would often relate tales of their escapades and achievements as they were growing up. The strength of this love was evident in her face as she spoke about them.

Kerry’s inner strength became more evident as she became closer to the end of her life, as she was determined to participate in her classes as long as possible. All who attended her classes found it a pleasure to have known Kerry as she became a large part of our lives also. This was confirmed to me since Kerry’s passing as a number of the people involved in U3A have said to me what a lovely lady she was and how she will be sorely missed. Many have expressed their desire that I pass on their condolences to her family.

Our hearts go out to her husband Ett and her family. Au revoir Kerry et merci beaucoup.

A Tribute to Dot Dickson. Written by Jan smith.

For more than eight years, Dorothy (Dot) Dickson was our popular and friendly croquet tutor. She was a very good teacher and many of her U3A croquet graduates were inspired to go on with croquet and join the Essendon Croquet Club. Here, they were able to enjoy a well-organized world of socializing and friendly sporting competitions.

Prior to retirement from paid work, Dot was a dedicated hardworking high school teacher. She expertly navigated her students through VCE psychology but was much loved by the students for the extra curriculum activities she ran. Every year, Dot organized a bus trip for senior students to either Alice Springs or Darwin.

This involved thousands of kilometers by bus, putting up tents at night, sleeping on an airbed and encouraging the students to call it a day and go to sleep. Her lucky students would have many happy memories of these trips and the teacher who made it happen. What a “good sport” she was to give her students this wonderful opportunity.

Dot also loved being a wife to Peter, a mother to her two sons and a grandmother to her four grandchildren. She enjoyed minding her Melbourne grandchildren to help the parents with their commitments to studies and work. (weather forecasts by Rod) An important part of her life was the flights up to Cairns to visit her Queensland granddaughters and their parents.

Last year, many of us noticed with anxiety the incremental changes in Dot’s ability to speak and move. The changes accelerated and eventually, she was diagnosed with that most cruel of diseases: MND.

(motor neuron disease.) As her illness progressed, speech difficulties meant she needed to use a writing tablet to communicate. Class members and friends were impressed by Dot’s courage. Her determination to participate and keep contributing were inspiring.

Dot was a long-standing member of the “In the News” discussion group. Her walking stick gave way to a frame and then to a wheel chair. But with the assistance of her husband Peter, she was able to attend and enjoy the friendship and intellectual stimulation she so valued.

After a year of very brave struggle Dot died on the 14th of June.

Many U3A members attended her funeral and our president Brian Smith participated in the eulogy. A donation was made to MND research on behalf of our members.

Many of us remember Dot with gratitude. Her croquet tutoring has enabled us to go on with croquet and join a club with lots of social activity and a sport well suited to our U3A age group.

Happily, Dot’s good work goes on and Margaret Dowsett and Shirley Hallinan tutored a croquet group this year. Vale Dot.

WHAT HAPPENS IN THE SINGING FOR FUN GROUP?

Our leader is Jo Bradshaw. 20 -30 Of us singers sit around in a semi-circle and keenly watch her. She keeps the beat with a stick she found or was given. This gives us the nod to start singing. Our folders have words & music for 180 songs. Many of these songs we remember fondly from the Top 40's of bygone days. So, we sing out just like Elvis, the Seekers, Dean Martin, Buddy Holly, the Eagles, Bing, The Everly Brothers, The Beatles or Satchmo. It is a trip "down memory lane". We are very lucky to have our three talented guitarists (Brian, Robyn and Colleen) who do a great job keeping up with us. We particularly love singing songs and rounds with harmonies. When we harmonise, we feel very pleased and proud of our efforts. We take it in turns to lead fun exercises that expand our lungs and warm up our voices. Halfway through the afternoon Margaret Dowsett sets out a much appreciated and varied afternoon tea. The singing for fun group was started about 11 years ago when Helen Cameron, Fran Horton, Margaret Dowsett and Michael O'Dwyer decided it would be a lot of fun and a wonderful weekly outing for U3A members. The group meets on Mondays at 1.30-3.00 at Flemington Community Centre.
