FROM THE PRESIDENT: Brian Smith

Welcome to the second quarterly edition of our newsletter. Thanks to all the contributors for letting us know what we have to look forward to in semester two.

A special thanks to our new editor, Jan Smith, who is flying solo for the first time with this edition.

As you president, on May 16th I attended the U3A Network "Presidents' Briefing". This was an opportunity to hear what other U3A's are doing and what the Network is doing to support us. Finding suitable accommodation is a key concern for all U3A's. A number of country U3A's reported that they have grown to the extent that there is nowhere else in town for classes to be held.

Some unlucky U3A's are even confronted with having to pay full commercial rates to hire facilities. This is a constraint on what they can offer their members. A few U3A's are lucky enough to have their very own premises.

For Moonee Valley U3A, 2018 brings an important change to the cost of providing venues for our courses. We use nine different council premises for approximately 2900 hours per annum to deliver our programs. MV Council, (who has always been very supportive of us,) has decided to introduce a small hourly "community group" charge this year. This will cost us approximately \$8,500 per year. At present, we are in a healthy financial position but changes will be necessary. This is the reason we are introducing a \$5 charge to help recover some of the cost of providing lunch at the Trivia Quiz day.

I look forward to seeing you at our prestige annual event: The Trivia Quiz. A certain team from "Behind the News" has made a habit of winning. I call on you to form your team, read newspapers and watch movies and TV quiz shows. It is bound to help. Let us give them a run for their money in 2018.

COURSE COORDINATOR'S REPORT: Geoff Miller

Do You Enjoy Cycling? Consider Joining “Pedalling for Pleasure.”

We have been out on our bikes every very second Friday morning this Semester. Whilst fourteen members have signed up, not everyone is able to come on every ride so the numbers vary between six and ten.

In term one, after meeting at the Riverside Café in Ascot Vale, we explored the bike paths along the Maribyrnong River. The photo illustrates one of these rides:

Since April we have busy exploring the eastern side of Moonee Valley. Our rides start from Ormond Park, Moonee Ponds, and head along the Moonee Ponds Creek pathway:

After visiting Melbourne Uni., it was time for “coffee and chat” in Carlton (20 April)

In June our rides will include a tour of Docklands and a trip up to Westmeadows. Next Semester’s rides will include destinations such as Albert Park Lake and St Kilda Pier, Port Melbourne and Station Pier, Coburg Lake and Ceres Environmental Park, and Altona to Point Cook.

There is room in the group for more riders. Consider joining us every second Friday morning between 9.30am to 12.30pm. Our first ride is on 20th July starting at Ormond Park, Moonee Ponds.

Harry Dobson, Tutor

My First Ride with U3A

I rode from home to Riverside Golf and Tennis Centre, where I met our leader Harry Dobson and quickly got to know the other friendly group members.

It was a perfect day for a ride and we went at a nice pace to see how we travelled together. Along the way Harry pointed out a few things like the Heavenly Queen Temple along the bike path and where a good coffee shop could be found. Also, a bit of history about Lynches Bridge, where we crossed over the Maribyrnong River. Long ago the cattle and sheep were driven over this bridge to the saleyards. I have done family history research about this area and it is special to me.
