FROM THE PRESIDENT

Welcome to the August edition of *Contact*. This is a chance to catch up on some of the past events and to ready your calendars for some important future dates.

I mentioned in the last *Contact* that we had made some funding applications, and yes, we were successful!

The *Wednesday Woodies* received \$4000 under the Moonee Valley Council's Biannual Grants program to fund the purchase of materials for projects that support community groups. Read about their work with Flemington Primary School students later in this edition.

We were also successful in our application to Bendigo Bank under their *Pitch 4 Funding* scheme. This \$1500 grant will go towards the purchase of visual course materials to support our present and future tutors.

Maria Weiss (Moonee Valley Council) gave a brief talk to the mid-year tutors meeting about the MVCC's ambitious and wide-ranging program to support older adults in the community. Approximately 2500 residents routinely receive some on-going support service from the Council. Listening to Maria's talk reinforced to me how valuable our U3A is for its contribution in providing lifelong learning opportunities and social connection for seniors in the Municipality.

July Forum. Christine Heyes from the Stroke Foundation was an excellent speaker. She was highly informative with a key message – don't hesitate to call 000 even if you think it's not serious. The letters FAST can help with decision making.

F=Does his **face** have normal symmetry? A=Can both **arms** be held up symmetrically? S=Is her **speech** sounding slurred? and T= **timely** medical help which vastly improves the chances for recovery. Christine also mentioned how technological change is improving outcomes. Helpful developments include clot busting drugs, dedicated stroke ambulances (with portable MRI scanners) and on-line support for Doctors in remote areas.

I encourage you to attend these forums organised by Robyn Temby. They're informative and the lunch afterwards is a very happy social occasion. **September forum** (see later) is on a topic of vital importance to all of us. I hope my conscience will be pricked by those in the know and that I will end my procrastination concerning Advanced Care Planning.

The annual **Trivia Quiz** lives and evolves! This is a very special occasion in our year with many enthusiastic participants and Michelle Cairns organised and delivered a most entertaining day. She was ably assisted by Anne Fkih and her catering team (Pam, Lily, Jo and Wendy). They delivered another delicious lunch for our enjoyment. I understand Michelle is already working on questions for next year. Wonderful!!

October Seniors Festival: Once again, Moonee Valley U3A will participate in the annual Seniors Festival. The plan is to organise a showcase at the Ascot Vale Neighbourhood Centre. Come and participate and join the fun. We rely on your participation. See your fellow members demonstrate the activities they love. Please encourage your friends or your next-door neighbour to come along. This is our opportunity to give the broader community a sample of what we offer to seniors.

Annual general Meeting. Along way off yet (Thursday 5th December). However, we do need a quorum at our AGM or we would have to hold it again!!! Our plan is to entice your attendance with a hopefully amusing and entertaining picture-based quiz using lots of photos of our members participating in their weekly activities. No teams needed.

There will be vacancies on the committee and I encourage members to consider joining in and helping to run our U3A.

If you decided that you would like to volunteer to join the committee, you would be most welcome. Good for you and good for us all. One way to see how the U3A operates and to see if committee participation interests

you is to attend a meeting. Committee meetings are held on the third Thursday of every month at 9.30 at Emerald St.

COURSE COORDINATOR'S REPORT

The Great Courses:

In Semester One, Bruce Findlay ran a very successful and popular course entitled *Why You Are Who You Are*. This was based on a set of DVD lectures from a series called *The Great Courses*. The lectures are given by subject experts and run for approximately thirty minutes. This provides inspiring input for subsequent group discussion.

There are hundreds of these *Great Courses* - all tailored to adult learners like us. Subject areas include: History, Science, Fine Arts, Travel, Health, Fitness, Nutrition, Economics, Literature, Philosophy, Religion and Music (see www.thegreatcourses.com). There is a truly dazzling array.

We applied for funding to purchase some sets of DVDs in this series through the Bendigo Bank's *Pitch 4 Funding Program* for community groups. Following an impressive "pitch" by our President Brian, I'm happy to report that we were successful in gaining funding sufficient to purchase at least five or six of the DVD sets. I invite you to check out the *Great Courses* web site. You might find a course that interests you and that you would like to share with a group. Normally a course would run for 12 to 15 weeks. So, if you are interested, I would be delighted to hear from you. Also, we are keen to hear from any members who are prepared to offer something "new" next year. Especially welcome would be an offer to run a Beginner's course in Italian. Please contact me through the office (9337 7779) or by email (mvu3a1@gmail.com).

Semester 2 Courses:

Our two new courses: *Fine Films* and *Joy of Literature* are both up and running.

Unfortunately, due to a serious health issue Vera Andrades has been forced to give up her two long-running classes.

Moya Lacey has kindly agreed to take over *Line Dancing* but we have had to cancel *Italian for Beginners*. Vera is being well supported by her family and many of her U3A friends.

Both George Widdison and Tess Theodosiou have been forced to take breaks from their classes for health reasons - in Tess's case because of her husband's health. Our best wishes go to them both and we thank Diane McCall and Nina Mazurek who have stepped in to keep the classes going.

Geoff Miller

From our Treasurers.

At the end of July, we have a healthy cash balance of \$34,649. Considering the anticipated expenses for the rest of the Year the outlook is that we will finish with a balance of approximately \$10,000. The Committee is considering what the level of cash reserves should be over the longer term to ensure we can continue to operate effectively. This will include consideration of whether a membership fee increase will be required in 2021.

September Forum: Thursday 26 September 2019

The Topic: Advance Care Planning – *Be Open, Be Ready, Be Heard*
(<http://advancecareplanning.org.au> administered by Austin Health – funded by the Australian Government)

U3A Moonee Valley members and guests have an opportunity to hear from two Voluntary Community Ambassadors from Advance Care Planning Australia (ACPA) who will lead an Introduction to an ACP session from 11am to 12 noon Thursday 26 September 2019.

The location is Windy Hill Venue, corner Napier and Brewster Streets, Essendon. Car parking is usually available in Napier Street. Two public transport options are the 59 tram or a walk from Glenberrie Station.

Complimentary tea and coffee will be available in the Hight-Marque Room, second floor, from 10.30am.

Austin Health requests that we have at least 15 people in attendance for the presentation.

To register your name(s) for the 26 September Forum:

1. Call the U3A Moonee Valley office on 9337 7779 leaving your name and contact phone number or
2. send an email to mvu3a1@gmail.com

Please indicate if you will be joining us for lunch afterwards at Windy Hill's Terrace Bistro.

Windy Hill Venue <http://windyhillvenue.com.au> has supported U3A Moonee Valley Forums since 2016 by providing the High-Marque room free of charge along with complimentary tea and coffee. WHV were delighted to have over 20 of us to lunch in July.

The Seniors Menu: 1 course @ \$13.50, 2 courses @ \$16.50, 3 courses @ \$19.50
'Premium Mains' meal for an extra \$5. The 2 and 3 course options include a glass of beer, wine or soft drink

Feedback from the 4 July Forum about the Stroke Foundation:

Guest speaker Chris Heyes, a retired nurse, provided an informative session with succinct answers to questions from the group. Her take home message emphasised the importance of calling 000 and requesting specifically for a Stroke ambulance to attend, even if symptoms are perceived as minor.

I look forward to seeing you at the Forum on 26 September 2019 from 10.30am.

Robyn Temby

Moonee Valley Festival

Spring will be sprung soon. Already there are blossoms and bulbs adding colour to our lives. With this added colour and warmth comes the annual October Moonee Valley Council's 2019 Seniors Festival. Our participation is a mark of our appreciation to the council for the facilities that we enjoy. It is also a chance for us to tempt seniors to join up and find a course to enjoy. Here are the details for your diary.

U3A Moonee Valley Showcase

When: Wednesday 16 October 2019 from 1.30-4.30pm
Where: Ascot Vale Neighbourhood Centre
Cost: Free event

Come and see U3A Moonee Valley Members perform Line Dancing, Tai Chi, Singing for Fun, Mah-jong Social Bridge & Scrabble. These are just some of the classes/activities on offer. The art classes will also have work on display. Our brochures will be available to widen the U3A picture. It's a free event with tea and coffee and everyone is welcome. You might have friends and neighbours who would enjoy joining our U3A. Do them a favour and bring them along.

Trivia Day 2019

The room was at full capacity and there was a buzz of excitement and expectation. Our quiz mistress Michelle Cairns with her pink iPad was an unknown question creator.

The trivia day is always an enjoyable social outing and this year was no exception. As usual, the technology decided to be temperamental and Michelle coped magnificently with her clipboard until the computers and screen presentation of questions decided to co-operate and work.

The questions were varied and challenging. Part of the fun is how the teams of four resolve “discussions” about what “could be” the correct answer. The questions are received with whispers and scribbles on paper. No one wants a rival team to benefit. When the correct answer is eventually revealed there are some who have regrets and some who get congratulatory pats.

Michelle had the timely goal of running a sustainable low waste event. Many in U3A have seen the TV show “War on Waste” and are concerned about Melbourne’s rubbish recycling crisis. Thanks Michelle for putting your ideals into practice. The prizes were sourced from local businesses with green credentials and the shopping bags that Michelle made can be used over and over again.

So that we were not sedentary for too long, it was arranged that Anne Strong would lead us in some Tai Chi exercises at the half way mark of proceedings. It is always good to get up and move after sitting down for a while. Thanks Anne for the graceful moves.

The probing of our knowledge of obscure and wonderful facts was completed by lunch time and while the judges calculated the points tally, teams got to work to prepare their sustainable decorative table arrangement. So, no throwaway plastic plates or paper serviettes to go into landfill from us. The table settings ranged from beautifully elegant formal to colourful cheery op shop ceramics. The winners of the table décor competition were the Four Blessings. They are a mah-jong team who craftily used mah-jong tiles as place mats. As you can see, the theme was a stunning red with artfully arranged bamboo and chopsticks. The Four Blessings are pictured with their reusable shopping bag prizes.

Then our thoughts turned to lunch and we were able to stay at our tables and have lunch served to us on attractive platters. The catering team had no time to join in the trivia. They had a roomful of lunch-ready seniors to deal with. We are all very grateful to catering team leader Anne Fkih, for her hard work in preparing for and organising the yummy food. Lily and Pam and Wendy and Jo were likewise super-busy. After helping set out the food, they whizzed

back and forth to the kitchen bringing out all the platters. Then they cleaned up and packed it all away ready for next year. A hard-working group of very kind members.

The progressive tally board showed that it was a close competition all morning. The count was finally completed and the 2019 trivia winners were announced. The *Hat Trick* team after completing their hat trick win of 2017, carelessly let Frank escape in 2018, (out of contract??) but have since morphed into a formidable foursome called *Second Wind*.

Here are the happy winners *Second wind* with their prize re-useable boomerang goody bags

Well done to Frank, Geoff, Suzanne and Carlene.

Office News August 2019.

The Committee and I would like to thank all Office Volunteers for their contribution in the last few months. Our apologies for any inconvenience caused whilst the Office telephone was fixed. We were alarmed when the number changed mysteriously after carpet cleaning and were very relieved to get it back again (whew!!!!)

For this quieter time of the year we have moved to a 3-day office roster. The new Office Hours are Monday, Wednesday and Friday 10:30 to 12:30. We will revert to our traditional roster to cover the busy period of membership and course enrolments in December.

Marjorie Ridley.

Wednesday Woodies and Flemington Primary Grade 5 Students

During our first four Wednesdays this term, students from Flemington Primary School worked with us at the Aberfeldie Shed. Eight volunteers from our Woodwork Projects group enjoyed the opportunity to meet the grade 5th graders and to assist them with their project. (for many of the children it was their first ever woodworking experience using tools.)

The project was jointly organised by MVCC Council's *Community Strengthening Department* and the Primary School staff. It was part of a "Generation Wiser" program and the plan was to construct of 25 planter boxes for the school's balcony garden.

Each class of 22 students came for two consecutive Wednesdays to complete the task. Eight of our U3A members – Christine, Anne, Lorraine, David, Myra, Nino, Robert and Harry - stayed on after their morning class to help the children for the two afternoon hourly sessions.

Here are some photos to illustrate this wonderful intergenerational learning experience. We can see Anne and Lorraine supervising while the children put the finishing touches to these well- made plant boxes. The boxes were mounted on a fence in the school yard to create a balcony wall of plants that the children can plant and care for.

Flemington Primary School were very pleased to have U3A support for this programme. (our members also participate in a reading program) The school are very happy with the intergenerational interaction and provision of attractive planter boxes to enhance their grounds.

Harry Dobson and Robert D'Silva
Coordinators U3AMV Woodwork Projects

From the Editor: Thanks, Harry for sharing your groups activities. If other tutors would like to have news about their group included in *Contact* please send photos and text to mvu3a1@gmail.com

The final edition of *Contact* is due on November 7th. This newsletter will have all the details about proposed courses for 2020. It will also describe how to re-enrol with the U3A and how to apply for the courses that you would like to participate in.
